

## APPLICATION FOR EXHIBITION

The art gallery in the lobby of the Margaret Clark Morgan Building is one way the foundation supports a vibrant and enriching society, increasing awareness and engagement by the general public in the arts.

We offer exhibition opportunities to emerging and established artists whose work exhibits high artistic qualities. Although we consider exhibitions showcasing either individual or multiple artists, generally our exhibitions include a significant body of work by two or more artists.

Applications are accepted throughout the year and reviewed periodically with the goal of scheduling approximately 12 to 18 months out.

Please complete the information below and mail with the listed documents/materials to:
